

Need Help Paying Your Energy Bill?

If you or someone you know needs assistance paying their energy bill, Energy Outreach Colorado and Denver Public Schools Family and Community Engagement may be able to help.

Qualified participants could receive up to **\$1,000** in payment services.

To Qualify:

1. You must have a student or close relative attending Denver Public Schools.

You must bring an energy bill showing that your utility account is at least one day past due.

Your utility bill cannot be over \$1,250 to receive our assistance.
