

DPS Career Development Youth Apprenticeship

Earn money and start your career with modern youth apprenticeship!

The Youth Apprenticeship program, in partnership with CareerWise Colorado, offers high school students the opportunity to gain hands-on experience as an employee of a company. Grounded in the comfort and support of their high school, apprentices will be taking classes while getting paid to work for one of our company partners.

A PAID PATH TO COLLEGE AND CAREER:

CAREER & SKILLS FOCUSED |

- Potential to earn industry-recognized national credential(s)
- At the end of your apprenticeship you'll be ready to get hired into a modern, in-demand career

MEANINGFUL WORK |

- Build a professional network
- Earn up to \$40,000 throughout your apprenticeship
- Gain three years of professional experience that will set you apart from your peers

PREPARATION FOR COLLEGE |

- Apprenticeship can focus your goals so you can make an informed decision about college

Start your profession in one of these modern fields:
