

FROM THE PRINCIPAL'S DESK

Dear Students and Families,

During this time of social distancing and school closures, I want to take this opportunity to send positive vibes out to this amazing community and resend the [School Closure FAQ](#) document that the Kennedy Leadership Team composed with guidance from DPS central office. Please follow [CDC guidelines](#) to keep yourself and your family protected.

Kennedy will be open today and tomorrow from 7:30 am to 2:30 pm for families to pick up personal prescriptions from our school nurse, personal items, and supplementary work packets.

Although we cannot incentivize or grade any of the supplementary work that was sent home, I want to emphasize the importance of exercising our brains throughout this time of school closures. In addition to the supplementary work packets that are specific to your course content, there are several FREE online learning sites listed below, as well as a [link](#) to Comcast's offer for FREE INTERNET for two months to low income households.

Students, please check your DPS Google Mail email, our website, and the DPS website weekly, as we will send out updates through these platforms.

At this time we have no updates regarding assessments, the extension of the school year, Prom, or Graduation. Know that we care very much about you, and will do everything possible to provide our students with a sense of normalcy once the outbreak passes.

With Gratitude,
Tiffany Almon
Proud Principal
