

CSC Meeting Agenda and Minutes

John F. Kennedy H.S.

2019-20 School Year

Date: 10/8/19 Time: 4:30 - 6

Meeting Location: JFK ROOM

School Mission

JFK is a safe environment where staff, families, and the community are committed to supporting all scholars in achieving academic and personal excellence. Scholars are empowered to meet future challenges, develop a positive character, and be active and informed citizens in our global community.

Committee Members:

1. 5 min Call to order, welcome, names of members present (Rene Garcia, Peter Stump, Maggie Gomer, Jason Clymer, Michael Mele, Jason Ortiz, Mike Mangham & Tiffany Almon)
2. Homecoming week as a whole was celebrated. Community involvement and energy was a celebration. The energy of the students and their engagement in homecoming was a celebration. 10/8/19 JFK held an assessment day and all students who needed accommodations received them.
3. 5 min Public Input. CSC went out in the Commander Communicator.
4. Agenda review and *approval of minutes from previous meeting*
5. Discussion items (may be based on CSC Calendar-reflected on SIP Guide):
 - a. New Business Items:
 - i. Review CSC Handbook and Bylaws - Principal reviews CSC slide deck(purpose). Bylaws are distributed to all members present at the meeting. A review of the bylaws was assigned as homework and then discuss any items needed at the next meeting.
 - ii. Assign roles - Jason Ortiz(Secretary), Mike Mangham(Chairperson)
 - b. Old Business Items: new hires - hired a vocal music teacher and a PE teacher. We are on hold for schedule changes due to October count. This will alleviate class sizes. The counselors and Jason are making sure that these teachers are teaching during the class periods in which we do not have enough seats.
6. Principal's Report

- a. Redesign - Principal Almon gives an overview of what a redesign looks like at a red(SPF) school. Principal from Bear Valley is going to spend Wednesdays here to give Principal Almon time away from the building to allow her to visit programs and develop the redesign. Principal Almon talks about the process she will embark on to engage the parents at the various feeder schools to see what they want JFK to look like. Review the various programs that we have available to students and ensure that they are meeting the needs of all students. Principal is going to share a planning document with the CSC to collect ideas.
- b. UIP/Strategic Plan Review - Principal Almon reviews the strategic planning document with the CSC. Under the category of "Competency" principal outlines our targets for PSAT/SAT. Additionally, she gives an overview of the strategies that will be used to meet the outlined goals. In "Coursework" principal gives an overview of the scores and menu of options to meet the 2021 graduation requirements. "Whole Child" has targets around attendance. Review of all the MIS 1-3 strategies.
- c. Budget Review + Priorities - 85 students over projected. \$400,000 added to our budget. We have hired two teachers. Principal proposes two things. First is to be frugal. Also, it is very difficult to hire at this stage in the game for a math teacher. A proposal is to hire a social worker at this time because of the intensity of student needs and attendance rate. At present, we are not meeting the recommended ratio. By being frugal, this will allow us to beef up our programing and spending money on teachers when the pool is deep. There is also a great need for increased technology. We also need additional/new furniture in several classrooms. There was overwhelming support on hiring an additional mental health(psych/social worker) but people requested more information around the roles and root cause of what/how we want to support students.

7. Setting of agenda for next meeting

8. Date for next meeting:

NOTE: All agendas are posted publically in a timely fashion on school's website and/or in a highly visible area in the building.
